# Current MET in Italy

METNET Day, 14.03.2003

## Problems of current Italian MET\*

- Difficulty to have a certain duration of training activity
- Only STCW-Essential Courses
- No STCW - Exstensions / Enrichment Activities are proposed
- No Educational -Structure (School or University) where is possible to supervising the training activity of a cadet
- Difficult for the students to becoming young cadets
- Different MET system with the others European system

METNET Day, 14.03.2003

## What it is necessary to do\*

- Create a certain duration for Education and Training activity

- Elevation of the professional dignity of seafarers

- Increasing the number of years of education

- Harmonizing our MET with the other European system

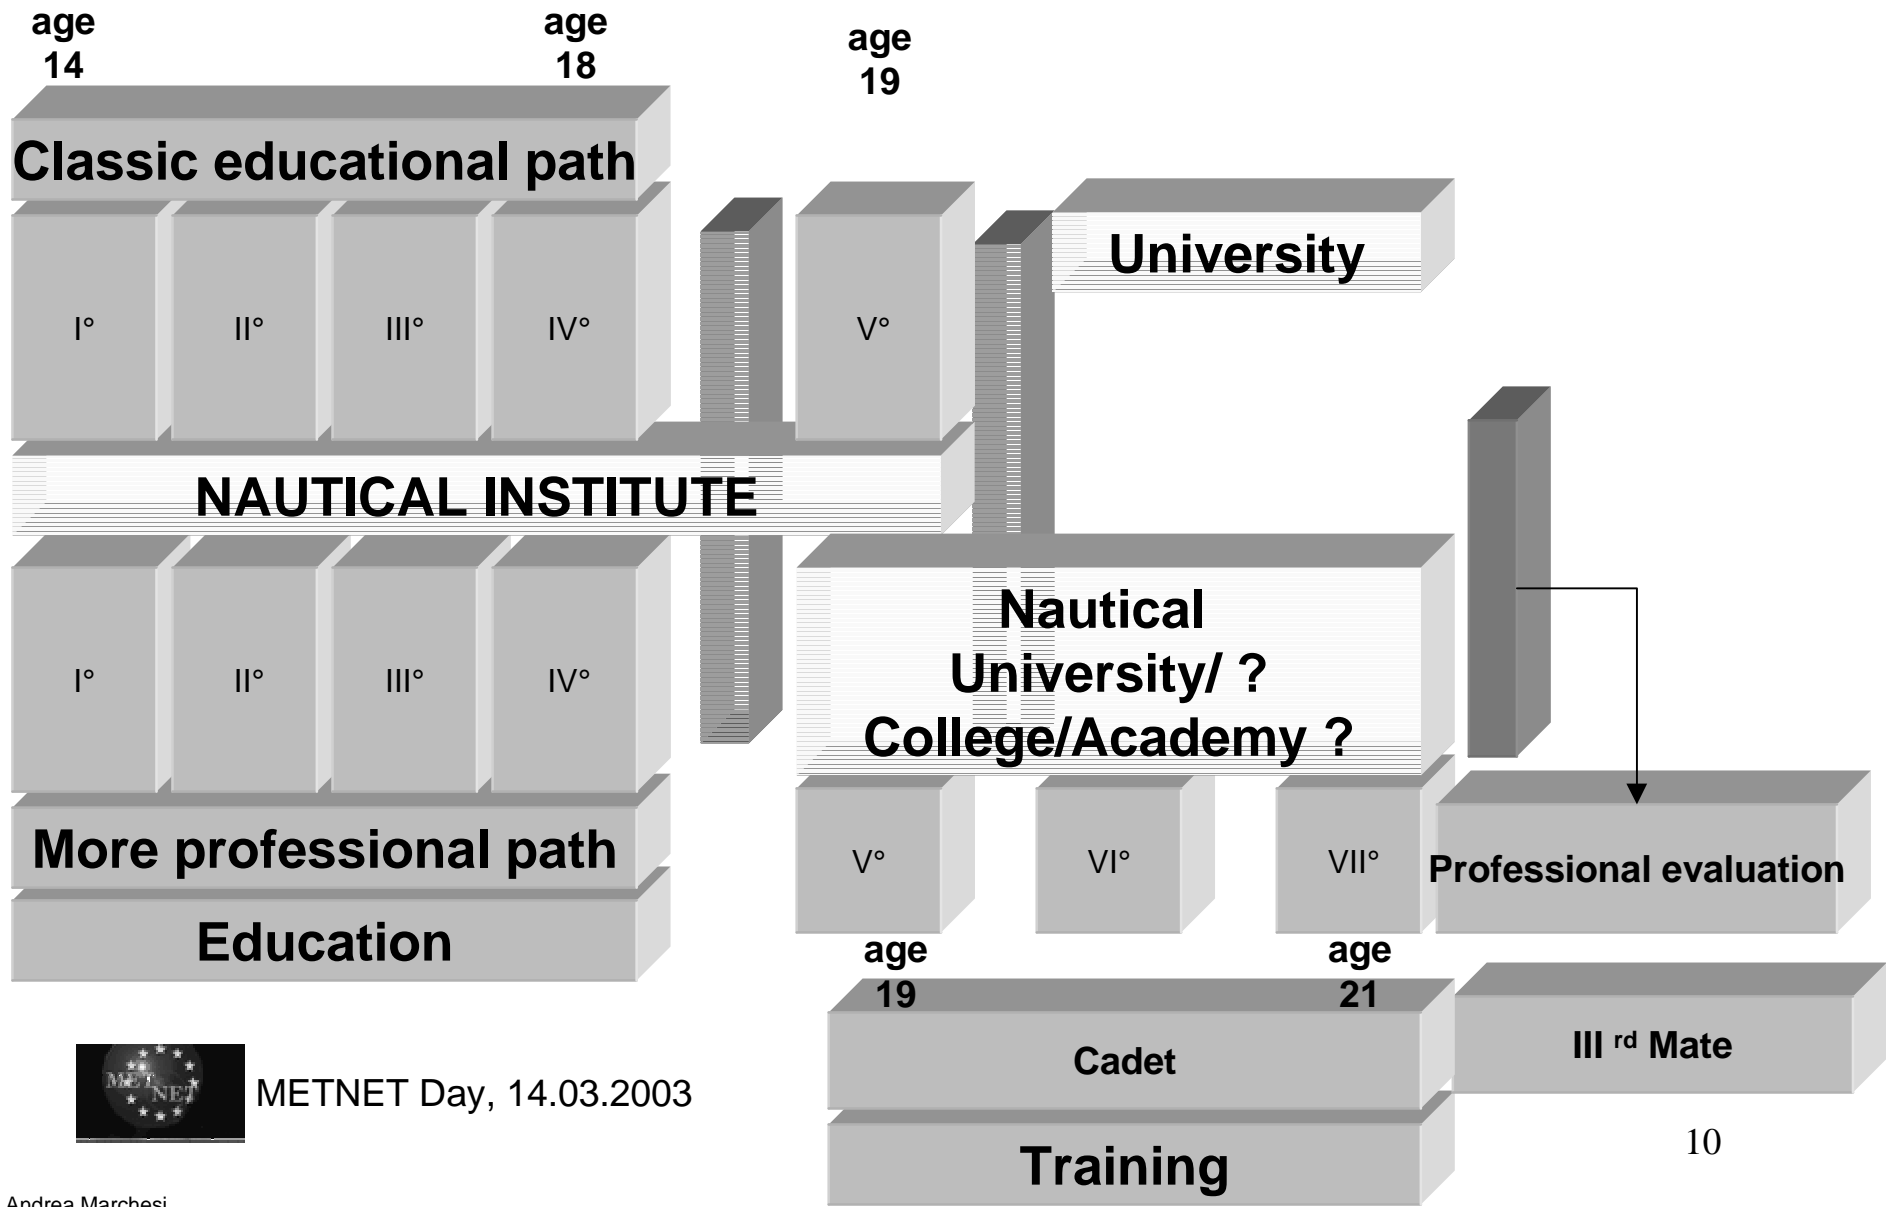

IT IS NECESSARY  
TO CREATE  
THE OPPORTUNITY  
FOR THE NEW SEAFARERS\*
